DISTRICT 23 GALAXY NEWSLETTER

April, 2017

From the District Bridge
District Commander Ron Gagen, Sr, SN

Again, I want to thank all of you for your confidence in me. I have been given a great bridge and we will work well together. My biggest goal is to continue to improve on communications, especially between all of our squadrons of District 23. To help with this I am asking all Squadron Commanders to have their news letters sent to all Commanders, Secretaries and Editors of all 8 squadrons and also to all District Bridge Officers and I ask that they distribute them to all of their respective members. Any functions or classes that are not in your newsletter should be sent separately in the same manner. Let's make our District One United and Number One. Having access to all of the Squadron Newsletters will help us to see what is going on in all of District 23 and may increase participation throughout our District. Let's have fun this year starting with the spring picnic on May 13. Titusville does such a great Job! There will be flyers sent out soon from your District Administrative Officer. Mark your calendar!! I am here for you. Send me any questions, gripes, or suggestions you may have. Don't hold back. Let's work together and remember communications, communications, communications.

Thank you,

D/C Ron Gagen, Sr., SN
